

Week 1: June 2009

Last Updated Sunday, 07 June 2009

For readers, just download Week 1 report of June 2009 di www.idxreview.com/attachment or just click ATTACHMENT. You may see the dividend schedule in June 2009 and other topics about hot money inflow. You will also notice that starting in June 2009, all of report generated by idxreview.com will using English since I have many request from other foreign investor. They are have strong passion knowing about investment opportunity in Indonesia stock market. I dont have time to translate and made bilingual of all reports but I assume that most my Indonesian readers aware of English language. Please enjoy
