

## Week 4 - June 2009

Report for week 4 - june 2009 already finished, I just recently monitored GZCO, WIKA and INKP. I am not concerning about market correction previous day, I see that we may have potential upside after election in July 2009. but before that issue, just read the report on [www.idxreview.com/attachment](http://www.idxreview.com/attachment) or just click ATTACHMENT.
